

Beginner

There are tutorials within the game and I'll enter the game if you need me.

Got it!

And that wraps up the general instructions.

Hey! I inserted the software disc, but it's still not functioning!

There should be a card slot on the back.

So, where do I insert the software disc?

That shouldn't be pos- (Did you check the Amaguchi's battery level?)

Oh, my, and

Oh, right

Well, I'm not okay...?

Everyone, are you okay?

Well...

HEY, HEY!

IT SEEMS TO BE TELLING ME TO CHECK IF I LIKE. HEY! SHOULD I DO IT?
